

QUARTER FINAL SUCCESS FOR FRASER

After an impressive victory against Blackburn Rovers on Sunday, Fraser Digby will be playing for Manchester United in the quarter finals of the Premier League All Stars tournament tomorrow (28th September).

A former professional goal keeper, and now business development manager for Sports Solutions GB, Fraser has returned to the field to take part in the charity football event, hoping that his team will take home the prize of £100,00 for their chosen charity, Social Education in Secondary Schools

Football legends, celebrities and fans have been selected to represent all the 20 Barclays Premier League clubs in a week long initiative being played at the All Stars Arena in Greenwich.

With Fraser between the sticks, the Manchester United team also includes a number of well known faces such as Lee Sharpe, Angus Deaton and Radio 1's Chappers.

Fraser said: "We have got an excellent team and are hoping to go all the way.

"We were delighted to win our first match and are looking forward to the quarter finals against Manchester City tomorrow. Not only is it great fun, we could raise a lot of money for our charity. I think it will be a tough match tomorrow but fingers crossed we will make it through to the semi finals."

See Fraser in action on Sky One, on Friday 28th September at 8pm.
